Precise, fast and user-friendly

The CHERRY MC 4000 combines perfect handling with the highest precision and speed. Its all-round smooth surface makes it secure and stable on work surfaces. The high-quality sensor and the high-speed motion detection make it ideal for all types of professional applications - suitable for both left- and right-handed users.

Key benefits

- Reliable cable mouse with 6 buttons
- The all-round 360° smooth surface ensures secure and stable mouse movements
- High-quality optical sensor and adjustable DPI resolution for two speeds
- Illumination colour depends on the set resolution (1000 dpi = blue, 2000 dpi = red)
- High-speed motion detection at 60 ips
- Optimised for professional requirements where speed is a factor
- Red/blue illumination on the sides, the scroll wheel, and the DPI switch
- Symmetrical design - suitable for left- and right-handed users

Warranty:

3-year limited manufacturer's guarantee
For the first two years after delivery, the statutory warranty applies. In the third year after delivery, CHERRY voluntarily grants an additional warranty according to the following conditions ("extended warranty"). In the event of a defect, please contact the seller of your CHERRY product. Do not carry out any repairs on your own and do not open the product. There is no warranty if unauthorized changes to the product cause a defect.

Conditions for the extended warranty:

In the case of a defect after the first 2 years after delivery of the CHERRY product, CHERRY grants its customers for the additional period of one year the right to assert claims for cure, i.e. demand that the defect is remedied or a thing free of defects is supplied. The extended warranty is to be asserted against the seller of the CHERRY product upon presentation of the original invoice, proof of purchase or a comparable proof of the time of purchase.

CHERRY, and the seller of the CHERRY product, where applicable, shall remedy the defect in the event the customer has justified claims for cure under the terms of the extended warranty.

Excluded from the extended warranty are damages caused by improper use, in particular by the effects of chemical substances, other damages caused by external influences, as well as normal wear and tear and optical changes, in particular discoloration or abrasion of shiny areas. Also excluded from the extended warranty are accessories and other parts which are not an integral part of the purchased item.

Errors, technical changes and delivery possibilities excepted. Technical information refers only to the specifications of the products. Features may differ from the information provided.
